

B2C ecommerce

In this digital age, a web store is a necessity. Aside from selling online, it allows you to reach new markets, lower over-head costs and increase revenue. k-ecommerce has all the features you need to make shopping on your web store easy and efficient.

Freedom to sell on any device

Your clients can shop anytime, anywhere. Sell your products through smartphones, tablets, and computers alike with k-ecommerce: our responsive web design offers a cohesive experience across a variety of devices and browsers, while you only have one web store to manage.

Make shopping online easy

k-ecommerce is loaded with innovative features that help you sell better. Our Advanced Search feature quickly connects your clients to what they are looking for, while our One-Page Checkout simplifies the purchase process, helping you close sale after sale.
